

# Saint Louis Design, Inc. Heavy Duty Magnetic-Tipped Push Latch for Large Doors

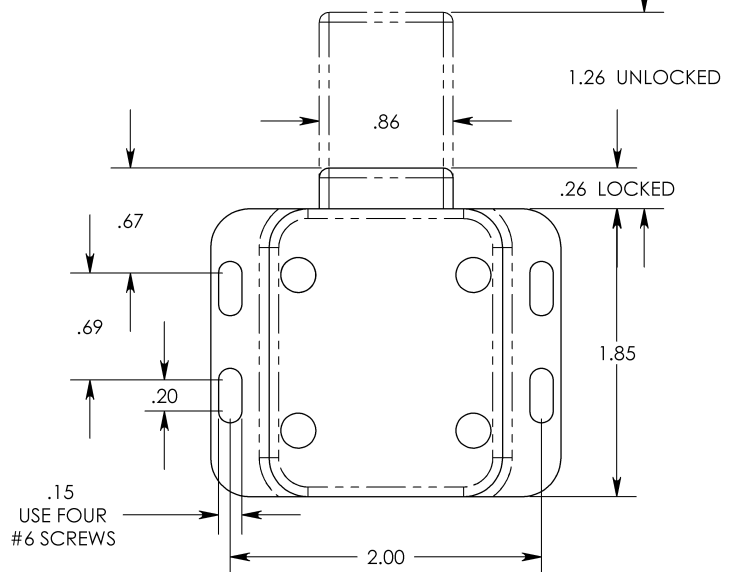

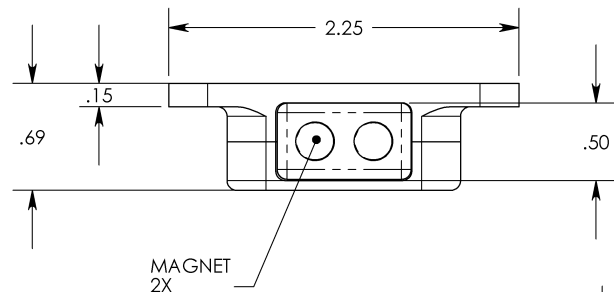

## 20125LP

U.S. Patent 6,669,250

### THE ULTIMATE PUSH LATCH FOR PREMIUM FLUSH DOORS

When a full-sized door needs to completely disappear in the wall surface, uninterrupted by any hardware, a strong and quiet solution now exists which is up to the task. Engineered for the high-performance standards of the marine and aviation industries, this push latch is precision-machined from non-corrosive alloys with titanium components for superior durability.
